## **JOB DESCRIPTIONS**

All positions require the volunteer to complete police clearance checks.

**COACH** At least one required for each team. **WITHOUT A COACH THERE WILL BE NO TEAM.** This can be a shared role if, for example, you are available for training but not games, or perhaps you are unavailable on occasional weeks. **LET US KNOW** and we will see if there is someone who can share the role with you.

Coaches are responsible for fitness and skills training after school once a week, and to coach teams during their competitions. This includes choosing players and their positions, substituting reserve players and encouraging players and parents. This could also include handing out weekly encouragement awards to players.

- Training: one night during the week
- Games: Saturday mornings

### **TEAM MANAGER**

Assist the coach in the administration aspects of coordinating the team, eg. checking the weekly playing venue and time, handing out notes, texting/emailing parents change in times or venues etc.

### **\*ANYTHING WE SHOULD KNOW?**

Sometimes there are special conditions for players, such as not being able to attend training on a particular afternoon. If you can think of anything that we should know about when we are forming teams, please let us know below. We cannot guarantee that we will be able to cater for all requests, but we do our best to ensure that all children who want to play can do so.
