From the Principal - COVID-19 update Return to school, Monday 23 November

Friday 20 November 2020

Dear Parents and Caregivers,

The Premier today announced that schools and preschools will reopen to all students on Monday 23 November. As a result, our school will be open and operating as normal from Monday and we will not be offering an alternative home-based learning program.

Our OSHC service will return to regular operating hours - please ensure you book your children in using the normal process if required.

As the Chief Public Health Officer has made clear, just because the hard lockdown is being lifted, this does not mean that the risks associated with COVID-19 have passed. As a result we will minimise the number of people coming and going from our site.

Wherever possible, please drop and collect your child at the boundary gates and maintain the appropriate physical distance from other adults.

More information on end of year excursions, events and activities, and the use of masks, will be available soon.

Thank you very much for your support over the last couple of days. Have a safe weekend and we look forward to having your child back at school on Monday.

Yours in care and good health,

Josh Vick - Principal
