Electronics Day Agreement Form

Dear Parents/Caregivers,

Wednesday 13th of January is Electronics Day at Warradale OSHC. On this day we would like to bring to the attention of both parents/Caregivers and children some rules we have for this day. The rules are as follows:

- Parents/Children must be aware whatever electronic device their child brings in is done so at their own risk and Warradale OSHC will not take responsibility for any lost, stolen or broken items.
- We also would advise children not to share their electronic devices and if they do it will be at their own risk.
- Any games that come with a rating must be G/PG.
- OSHC is a service for children of all ages therefore children and parents must be aware of what games their child is bringing in. There must be no games, apps etc with any Swearing, they must be all be non violent and must not contain anything that could scare the younger children i.e. Zombies.

If children do not follow the above rules, their electronic devices will be taken from them and locked away for collection by a parent at the end of the day. We ask that you speak to your child about this in advance so we can all be on the same page and everyone is aware of the rules. We also ask that parents/Caregivers sign and return this form on behalf of your child, if your child is 8 years or older we ask that they also sign (write their names) on the form below.

Kind Regards
Warradale OSHC Directors
