### Hot-X bun fundraiser

A big shout-out to Governing Council member Jelena Milojevic and *Baker's Delight Marion* for their support of our hot-X bun fundraising drive. Thanks to their efforts and generosity (along with some transport and distribution support from a few extra helpers), over \$400 was raised towards the purchasing of some new equipment for our Physical Education department... To those who supported the drive, we hope you enjoy your yummy purchase over the long weekend!

### Credit Union SA Community Rewards Program

Governing Council has endorsed the setting up of Credit Union SA's Community Rewards Program at our school from the beginning of Term 2. Lucy Brooks from the Credit Union has presented to both staff and our Council, highlighting how the program generates valuable funds for schools, with very little effort and no obligation to promote or advertise the Credit Union's brand. We are confident this initiative will compliment the fundraising activities we already run at our school and benefit our students and community greatly. Stay tuned for more details in the weeks to come.

### Support for families

Next week, our amazing Pastoral Care Worker Emma Clarke and Deputy Sarah French will be sending out information about support agencies offering a range of community services to families in our local area. From groceries and clothing to budgeting and financial support, there are a range of services on offer. In the meantime, if you or someone you know is in need of any assistance, please do not hesitate to contact us.

### \*\*Governing council sub-committee members still required\*\*

We are still seeking parents/carers willing and able to join the following sub-committees for 2021. Please email [Kathryn.Watters768@schools.sa.edu.au](mailto:Kathryn.Watters768@schools.sa.edu.au) with your name, contact details and the sub-committee you are interested in:

- ★ **Digital technologies action committee** to support Governing Council, staff and students to review our current ICT resources and support structures. Help develop a digital technologies plan for our site.
- ★ **Canteen committee** to work with our canteen manager and finance officer to monitor our canteen service and help maintain its effectiveness and viability.
- ★ **Uniform review committee** to review all aspects of our current uniform policy and present recommendations to the Governing Council regarding uniform offerings, supplier and sales for 2022 and beyond.
