

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Devices are brought to school at the owner's risk and the school will not be involved in disputes and/or investigations over damage, loss or theft to any device.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Students' personal devices must be surrendered at the beginning of the day to be stored in a locked box inside the classroom and collected at the end of the day.

If the student does not comply

Outline:

- failure to comply with this policy will result in the device being confiscated from the student and the parent will be asked to collect it from the school office.

Roles and responsibilities

Principal

Make sure:

- this policy is clearly communicated and accessible to all students, staff, and families

Parents

Support the implementation of the school's policy, including the consequences for non-compliance with the policy.
