Student free and school closure days - Term 4

Our Governing Council and Education Director have endorsed a student free day on Monday 25 October (Term 4 Week 3). Staff will be involved in off-site training focused on site improvement priorities relating to learning data analysis and student engagement. A school closure day in Term 4 to support site preparations for our capital works project will also be scheduled as soon as possible, pending a timeline from our project management team.

Trading cards and other personal items

Following a number of recent issues involving the trading of Pokemon cards here at school, we kindly ask that parents encourage their children to leave all trading cards and other personal items at home. We are looking into providing a designated day and space for interested students to safely engage in card play as part of a supervised club, but in the meantime, we appreciate your support to minimise unnecessary distractions that negatively impact on student learning and wellbeing.

Week 9 assembly

We will be holding a special whole-school assembly on Friday Week 9 from 2.30pm to farewell the amazing Robyn Terlikowski who is retiring at the end of this term. While the assembly will not be open to parents due to on-going COVID restrictions, we are hoping to provide families with an opportunity to personally farewell Robyn from our Western Oval at the conclusion of the assembly at 3.00pm. More details will be provided shortly.

Sports Day

At this stage, our Sports Day will proceed on the last Thursday of Term, 23 September. While parents will not be able to attend, please contact the school if your child has any specific health needs that require personalised accommodations.

Happy Father's Day

A big thank you to the parents, students and staff who assisted with the running of our Father's Day stall this week. We wish all the fathers, grandfathers and father-figures in our school community a very happy day this Sunday and trust that all items purchased by students at the stall will be gratefully received!
